ABOUT US

WHO ARE WE?

Bersih Clean is a commercial laundry partner purpose-built for luxury villas, vacation rentals, and boutique hospitality managers. Engineered to eliminate the operational bottlenecks of island hospitality, we combine industrial processing power with digital logistics to deliver crisp, hygienic linens with zero friction. While our primary operations handle high-volume villa linen turnovers, our ecosystem is built to scale seamlessly into on-demand, premium personal valet laundry for staying guests.

WHAT WE OFFER

CORE SERVICES

A complete laundry workflow designed around the pace, standards, and guest expectations of premium hospitality. we combine industrial processing power with digital logistics to deliver crisp, hygienic linens with zero friction.

B2B Villa Linen Care: End-to-end processing of high-thread-count bedding sets, plush bath sheets, pool towels, dining linens, and staff uniforms.

Thermal Sanitation & Fabric Restoration: Dedicated commercial wash cycles designed to take care of laundry.

Turnover Scheduling: Flexible, scheduled route logistics calibrated directly to villa check-in and checkout windows to prevent property turnaround delays.

In-Villa Guest Laundry (Valet Upsell): An on-demand amenity allowing property managers to offer guests fast, professional garment washing and pressing, creating an effortless ancillary revenue stream

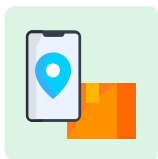

WHY CHOOSE US?

THE BERSIH CLEAN ADVANTAGE

Digital Transparency & Scales

Transparent verification with weights and bag counts recorded digitally at the villa during pickup, eliminating billing disputes

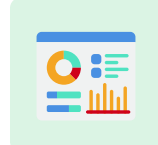

Batch-Tracked Integrity

Bag-level tagging and strict tracking protocols prevent different properties' linens from intermingling, ensuring zero lost or mixed items.

Zero Moisture or Odor Defects

High-airflow gas drying and cool-down cycles eliminate residual dampness (bau apek), fiber stiffness, and heat creases.

Centralized Corporate Management

A streamlined digital workflow offering multi-property dashboard management, live order tracking, and consolidated weekly or monthly B2B billing.

THE GUEST EXPERIENCE STARTS HERE

FIVE-STAR PRESENTATION, EVERY TURNOVER.

We treat linen presentation as an extension of the guest experience. By combining rigorous textile quality control with reliable logistics, bersih clean ensures your villas consistently meet five-star standards from the bed to the pool.
